THE DIRASES CURED. The diseases successfully handled by Osteopathy are more numerous than those which are successfully treated by medical or other means. We do not Something About the Root Believed claim to cure every case. Neither can any other method guarantee this. No greater fallacy exists than that which the medical world seeks to argue, that Osteopathy deals only with bone dislocations. In fact the list of diseases which yield readily to Osteopathic treatment includes yearly all diseases, both demand from exporters continues unabeen saved from the surgeon's knife, for Ostcopathy is able to remove a large proportion of these troubles, for which be an item of the world's product to beretofore the surgeon's knife has been the only hope. There is no disease successfully treated by medicine which should not more readily yield to the rational method employed by the Osteo-

path. Esp-cially has Osteopathy be n left it time to mature enough to bear seed. Thus it had no chance to leave successful with Fevers, Goitre, Asthms, | behind a mesns of reproducing itself Iusanity, Female Disease, Nervous before it offered up its life to com-Prostration, Liver, Kidney, Heart, merce.

The botanists call the native root of China, where it was originally found to age are unnatural. Bodily disorders are largely the result of mechanical obstruction to the circulation of the vital fluids and forces.

Osteopathy is a drugless system of Constipation, Nueralgia, Throat and Lung Troubles, Rheumatism, Dyspepsia, aromatic, but in China it is believed to the a sovereign remedy for every malady. Hip Joint, Eczems, etc. Osteopathy is be a sovereign remedy for every malady, the most efficacious means for restoring and it is even believed by some that life health.
